

Hi.TECH.

innovating from science

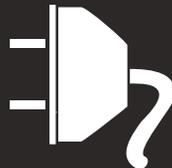

For researchers and technology entrepreneurs.

With cutting-edge technology and scientific discoveries.

For teams that want to test the market relevance of their research and technology projects

and develop a well-grounded business case, with the support of faculty, management students and business mentors.

From 28th of February to 3rd of July.

One afternoon per week, in two alternative locations: Porto (Porto Business School) and Lisbon (Nova School of Business and Economics).
